

## Directions and Parking at Pleasantville High School

Pleasantville High School is reached from Bedford Road by turning south onto Romer Avenue.

The Pleasantville High School is located across Clinton Avenue at the south end of Romer Avenue. The circle at the front is for drop off and pick up only. No parking is allowed on the circle.

A right turn on Clinton Avenue leads to the entrance to Handicap Parking on the left, just past the school. If you park there please walk to the street, turn right, and walk to the entrance. The stairs from the lot are dark and dangerous at night. If possible, drop off mobility impaired persons at the entrance before parking.

A left turn on Clinton Avenue leads to the Middle School parking lot for normal parking. Some parking is also available in the Library parking lot at the corner of Bedford Road and Romer Avenue.
